

THE ESHAN TIMES

(Volume: 1 Issue-January-March, 2021)

From the Chairman's Desk

Inside the Issue:

- Announcement of our new Logo.
- Learn with Ease!!!
- The Challenges of Change
- From Concepts to Creation
- Shaping the future
- The Innovative Spirit
- Almuni Speak:
 - That one Lucky day...
 - सफर....शून्य से शिखर तक।
- Topper's Academy
- The Placement Chronicles
- Students Corner
- Upcoming Events & Trainings

It is my immense pleasure to announce that we have come up with the first issue of the college Newsletter "The Eshan Times."

The newsletter will serve as a window through which the complete profile of the academic and co-curricular activities, achievements and progress made during the stipulated period can be viewed. We will be organizing more innovative & different activities in the coming months & we assure you to come out with the comprehensive view of the next period.

Best wishes for the success and bright future of "The Eshan Times."

CA Saksham Agarwal

From the Editorial Desk

Dear Readers,

I hope you all are doing well and keeping safe. While the pandemic continues, I am happy to present to you the inaugural issue of the newsletter- "The Eshan Times" A thought that has been enduring in mind when it becomes real; is truly an interesting and exciting experience. This newsletter was one such cherished work that had its roots in the persuasion. This newsletter would be a snapshot of the various activities and advancements witnessed over the earlier half of the current year. It is intended to be published quarterly.

I sincerely thank all the Editorial team members & Students Coordinators for their team efforts. The Editorial Board feels glad to acknowledge the kind support and encouragement by the top management & to all those who contributed directly or indirectly to bring the Newsletter out.

*We hope going through this newsletter is as enjoyable for you as it is for us bringing it to you.
Happy Reading!!*

Ms. Akriti Mittal

*Assistant Professor
Department of Management*

Announcement of Our New Logo

We are proud to announce our new logo. A logo is the visual figurehead of the college. It reflects the organization message. The design is the gradient of brown, orange & blue colors. This transformation implies everywhere from our internal strategy to the imparting of education. The blue is cool and refreshing, orange is associated with playfulness, change and enthusiasm & the deep hues of brown inspire a sense of seriousness. This color combination feels a bit collegiate. Our motto forms part of a verse appearing in Vishnu purana (1.19.41) which means:

"Knowledge is that which liberates."

॥ सा विद्या या विमुक्तये ॥

We hope you like this new look and feel!

Learn With Ease!!!

One of the biggest driving factors which affect the changes in education today is technology. Digital Classrooms have now become norm of our college. Students prefer engaging, visually stimulating & interactive educational materials. Imparting education digitally enhances the mental ability & makes students competent for this highly competitive market & our only concern is your education and for achieving this purpose, college has established digital labs & classrooms in every department.

The Challenges of Change

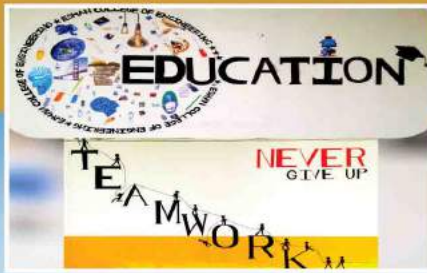

DISTRIBUTION OF LAPTOPS

To promote the online education during covid-19 pandemic, College distributed laptops and smart phones to MBA, B.Tech and Diploma Students.

From Concepts to Creation

The Place where we live, and work influences our lives. Incorporating good classroom and college design through college renovation was altogether a good learning experience. The most positive thing was to encourage the students and faculty to get involved in the college interior decoration. It was the journey of concept to creation like some came up with the idea of Wall of Fame, creatively presenting the concept of teamwork, Tree of Happiness, Plantation corner was made "Best out of waste products", Management teachings from Geeta, Women Empowerment, from Dusk to Dawn etc. Here are a few photos of the college interior decoration:

Shaping the Future

UNION BUDGET - 2021

The Hon'ble Minister of Finance of India, Nirmala Sitharaman Presented Union Budget 2021-2022 on February 1, 2021 in the Parliament. The live screening of the presentation was organized in the college which was attended by all faculty members and students of MBA. Followed by the presentation, it was well explained & discussed by Chairman CA Saksham Agarwal. This session has helped the students to increase their understanding about the budget and its impact on Indian Economy.

POSTER COMPETITION

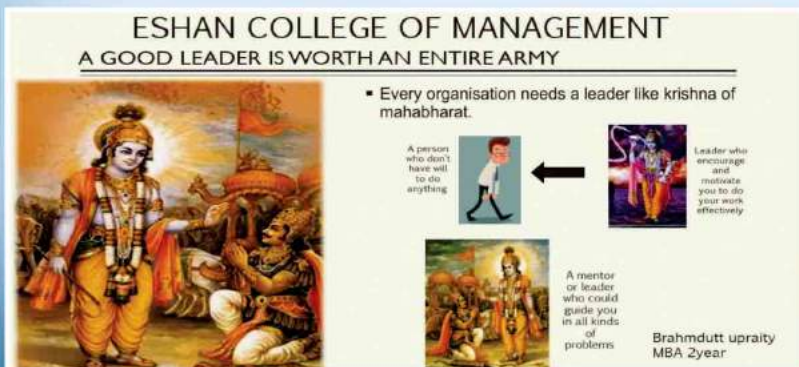

The Competition was held among the MBA II year students on the topic of "MANAGEMENT LESSONS FROM BHAGWAT GEETA". Two students won the competition.

Brahmdutt Upraity

Rohitash Verma

The Innovative Spirit :

SMART HAND SANITIZING DEVICE

In the COVID-19 Crisis, the Electrical Engineering Students developed a smart hand sanitizing device. We appreciate the team efforts of Ranveer Verma, Jai Kishan Kashyap, Ravi Kumar Kardam, Pradeep Yadav, and Nitin Kumar under the guidance of Mr.R.S.Pathak (HOD-EE).

The main purpose of this project is to sanitize the hand without touching the device. This device gives the real time status of the system and there is an ultrasonic sensor which detects the presence of a hand below 15cm of it. It will trigger the sanitizer pump in order to pour the liquid on the hands and it will count the number of persons being sanitized and shows it on the main display with the word "COUNTER: 1". After few seconds, red LED will light up.

Alumni Speak

In this Edition, We are presenting you the two inspirational stories of the Alumni, one in the form of Personal Interview taken via zoom by B.Tech CS II year Students, Manya Agarwal & Md.Asad Khan and another one in the form of Storytelling.

That one Lucky Day...

Where were you born and brought up?

My name is Tanya Sharma. I was born in Agra, and completed my schooling from St. Anthony's Junior College, Agra. I am the eldest sibling in my house. My father is retired, and my mother is a housemaker. Right now, I am the breadwinner of my family.

How did you come to know about Eshan?

I always wanted to go for the higher studies, but to be honest I do not have money. Then I came to know about the engineering college fair organized in the mall and I went there to attend it. There I met with Bhadoria Sir; he was the representative of the Eshan College, who then explained to me about the Eshan College of Engineering. I told him I do not have money, but I want to study. He asked me to meet Manjari Ma'am.

Why did you choose Eshan College of Engineering?

When I met with the Manjari Ma'am, I told her about my aspirations, financial situation, and everything about my background. I was really impressed by Ma'am as she understood my financial limitation & still assured my mom and me that we should not worry about money. She said that in Eshan College priority is talent and if you are intelligent and truly believe in yourself then you should join Eshan College to pursue your dream to become an engineer. **I will never forget that day, I was so relieved, I still count my blessings for the day I met with her.**

Who did you inspire most in this College?

It was Manjari ma'am; she motivated me throughout my journey in college. She was my mentor. Dr.Shailendra Gautam Sir, D.R. Bansal Sir, Suraj Sir, Ajeet Sir they were all my mentors and inspired me to do my best.

(Ms.Tanya Sharma –
Head of Cyber Security Department, ING Bank,
Netherland, Batch CS-2015 Pass out.)

Is there any other support you have got from the Management?

Yes, my father lost his job at the time of my admission, but because of the support by management my financial conditions never become a hurdle. Manjari Ma'am again come here as a savior for me & offered my father a job in the college canteen of another branch of Eshan College.

Tell us something about your professional journey so far?

My first job was at HCL, I was very happy with my first job. After some time, I wanted to expand my carrier. Meanwhile, I kept looking for new opportunities. Mostly I was looking for opportunities to go abroad, at one point I felt it is not possible to get it, but I never give up. Today, I am working for the Netherland ING Bank as Head of the Cyber Security Department. I am very happy that my hard work paid off. My journey has just begun, I have a long way to go, but it is a good start.

What message you want to give to your juniors?

You all are in good hands in the Eshan College of Engineering. Take this opportunity to do well here and keep dreaming about what you want to become. There were times when you feel demotivated, but you got to believe in yourself, that you can do things differently if you want. It is up to you only, **make it or break it.**

सफर....शून्य से शिखर तक।

यह कहानी है उस बच्चे की जो कभी ईशान कॉलेज ऑफ इंजीनियरिंग में चपरासी हुआ करता था। लेकिन आज वो बच्चा एक कम्पनी में सिविल इंजीनियर है। जी हाँ दोस्तों, यह कहानी मेरी है। मेरा नाम धर्मपाल सिंह है। मेरे घर की आर्थिक स्थिति कुछ खास नहीं थी। मेरे पिता एक साधारण किसान है और मेरी माता एक ग्रहणी है। मेरे बड़े भाई धरमेश सिंह ईशान कॉलेज ऑफ इंजीनियरिंग में सुरक्षा गार्ड का कार्य करते हैं। क्योंकि मैं ग्रामीण परिवेश से हूँ अतः जब मैंने दसवीं की परीक्षा उत्तीर्ण की तभी मेरा विवाह हो गया। उस समय मेरी उम्र महज 14 साल थी इसीलिए पढ़ाई छोड़कर नौकरी करनी पड़ी। मैं ईशान कॉलेज ऑफ इंजीनियरिंग में चपरासी का कार्य करता था। मैं वहाँ बच्चों को शिक्षा ग्रहण करते देखता था। कॉलेज का वातावरण बहुत अच्छा था। मेरे मन में भी एक दबी हुई इच्छा थी की मैं भी आगे शिक्षा ग्रहण करूँ। मैंने पूरी हिम्मत जुटाकर कॉलेज के चेयरमैन सर श्री संजय अग्रवाल जी से अपनी पढ़ाई की इच्छा जाहिर की। मुझे खुद पर यकीन नहीं हुआ जब उन्होंने तुरंत मेरी बात को मान लिया और मुझे बहुत ही मामूली सी फीस पर सिविल इंजीनियरिंग डिप्लोमा में प्रवेश दिया। उन्होंने तीन साल बिल्कुल भी परेशानी नहीं होने दी। अंत में मेरा चयन पुष्पांजलि कंस्ट्रक्शन में हो गया। आज मैं बहुत चर्चित कम्पनी पी.एन.सी. इन्फ्राटेक में काम कर रहा हूँ। मैं इस सफल यात्रा के लिए ईशान कॉलेज ऑफ इंजीनियरिंग का तहे दिल से धन्यवाद देना चाहता हूँ। जिसने एक चपरासी को सिविल इंजीनियर बना दिया।

(धर्मपाल सिंह,
सिविल इंजीनियरिंग,
पी.एन.सी. इन्फ्राटेक –
बैच 2015 उत्तीर्ण)

Topper's Academy

It is always important to recognize the highest achievers & we are pleased to announce the list of toppers based on latest Internal Examination:

Course	Year	Name of Students
MBA	I	Rashmi Sharma Yashvi Sharma Sakshi Gupta
	II	Priya Jain Rohitash Verma Shrutkeerti Shukla
Course	Year	Name of Students
B.Tech	I	Ayushi Singh Divyanshi Pal Purnima / Shivam Goswami

Year	Name of Students (B.Tech)				
	EE	CS	ME	CE	EC
II	Vishal Saraswat Kamal Singh Monu	Deeksha Kulshreshtha Manya Agarwal Khushi Jayant	Pradyumn Kishore Saurabh Prajapati Akash Babu	Brij Mohan Neeraj Singh Mukesh Kumar	—
III	Ranveer Gourav Singh Reetesh Jain	Arti Sharma Km Neha Sharma Priya Kushwah	Ram Pratap Singh Km Bharti Sharma Prashant Kumar	Afsar Ali Saurabh Kumar Sumit Kushwah	—
IV	Lalit Gaur Preeti Parashar Rohit Yadav	Aman Kumar Neelam Verma Nikhil Sharma	Vijay Saurabh Singh Mohit	Bharat Singh Bhoj Chetan Singh Divyansh Pal	Priyanka Sashil Hasan Divya Kumari

Year	Name of Students (Diploma)

The Placement Chronicles

TRAINING & PLACEMENT

Institution will continue to be responsible & accountable for the placement of its students. The Training & Placement Cell operates round the year to facilitate contacts between companies and students. Keeping this mind, T&P cell has been shifted and a new, spacious & well-maintained cell is developed near library. We have also been successful in maintaining our high placement statistics over the years.

Visuals:

Placements in 2019-20

Since last few years we are leading the region with highest number of placements. Some of the best placed students of year 2019-20 are:

Nikhil Sonker (MBA)
Byju's Learning
10 LPA

Shivani Mahor (MBA)
Hindustan recruiter
5.60 LPA

Devesh Kumar (MBA)
Squareyard
4.66 LPA

Harsh Sharma (B.Tech CS)
Extramarks (gurgaon)
12.4 LPA

Students Corner Reviews about the College:

Eshan College has a good infrastructure and has many facilities for students. Environment is safe for girls. We have digital classrooms & a library full of knowledge.
Shilpi Singh (MBA I Year)

I have learnt a lot in this college, which has given me the confidence to speak in front of others.
Chirag Gupta (MBA I Year)

Eshan College has helped me to enhance my knowledge. We have a wise faculty who support and understands the perspective of each student.
Laxmi Pundir (MBA I Year)

Along with studies, college also gives importance to extra-curricular activities. All the faculty members are well qualified & work hard to make the students confident.
Ramlakhan (B.tech I Year C.S.E)

College gives you the perfect balance of industrial exposure as well as of academics. Laboratory and Libraries are very well maintained.
Baby Dhakrey (B.tech I Year C.S.E)

Bus facility is provided free of cost to all girls. This is the best part, as it encourages the girls to get higher education.
Shweta (DCS I Year)

The Environment of college is very cordial, and the teachers are always helpful.
Ankit Kumar (B.Tech 1 Yr.Civil)

College environment is very friendly. Faculties & Classmates both always have a helping hand towards student.
Vishal Bansal (DCE I Year)

Eshan is one of the top private institutions in Agra-Mathura. The environment is optimistic.
Nitin Tyagi (DCE I Year)

Discipline is given the upmost priority in the college.
Tarun Dev (DME I Year.)

This college has very conducive academic environment of teaching and learning. Teaching methodology is goal oriented.
Neha Nigam (B.Tech ME I Year.)

College provides all the finest way of learning like well-maintained laboratory, digital classrooms, good library, Internet Labs etc.
Devendra (B.Tech EE I year)

Eshan is the best engineering college for providing the diploma courses at an affordable fee.
Anurag Singh (DEE I Year)

मैं ESHAN COLLEGE में आकर बहुत खुश हूँ। यहाँ पढ़ाई का सुयोग्य वातावरण है। यहाँ का पुस्तकालय और यहाँ के अनुभवी अध्यापक हमेशा हमारी मदद को तत्पर रहते हैं।
Raveena Kumari (DEE I Year)

About Python Programming:

With a vision to revolutionize the system of education and academic training, Eshan Group has joined hands with Jobaaj.com in a collaboration to provide Python - "The First Step" program for the students. The course duration is of 2 months. Training Program includes various Worksheets, Quizes and Assignments, which help students to apply Python programming to the real-world projects.

Reviews on Python Classes:

I would prescribe this course to my collaborators. This course builds a great foundation for beginners; material is unique and easy to understand which is very helpful both for beginners & for an experienced person.
Manya Agarwal (B.Tech-CS II Year)

The course is built up well. I have started with basics and have quickly adapted to the level. Much obliged to Sir & the teacher's for guiding in such a good manner.
Rohit Kumar (B.Tech-CS II Year)

Upcoming Events & Training

Events : (April 2021)

- Techno-Management Fest
- Debate/Current Affairs Competition

April-May 2021

- Industrial Tour (MBA, B.Tech & Diploma)
- One Society Project for MBA Students

Training: April-May 2021

- Python Advance Course (B.Tech CS II Year).
- Auto CAD with 3D (B.Tech and Diploma CE & ME II & III Year).
- Solid work & 3D MAX (B. Tech IV CE & ME).
- English & Aptitude Training (B.Tech III Year).
- Soft Skill Training (MBA, B.Tech & Diploma final year).
